1. Background:

The Division of Building Safety (DBS) requests an ongoing fund shift in the amount of \$60,100 in personnel costs from the Miscellaneous Revenue/Industrial Safety Fund to the Miscellaneous Revenue/Logging Fund. This shift is requested to reflect the anticipated personnel needs for the Logging Safety Program, for a net change of zero dollars. DBS has seen an increase in the Logging Safety Program due to increased activity and the Industrial Safety Fund has excess appropriation for this shift.
